

Teaching Notes

Second Hundred Words Checklist

This checklist should be used to note a student's progress in learning a sight vocabulary. That is, the words which a student can read quickly and confidently.

If the student is unsure, guesses, or needs time to sound out a word, it is best to consider that the reading of that word requires more practice.

Put a small tick next to all the words the students knows. Leave unknown words without a mark.

Record Sheet

Name: _____ DOB/Age: _____

Class: _____

Completed by: _____ on: _____

updated: _____

1	ask	home	am	house	any	11	sit	blue	say	black	saw
2	yes	every	run	round	very	12	best	don't	bad	read	put
